

The Landmark Society of Western New York presents:

**“Walk the Walk: Encounters with
Rochester’s African-American Ancestors”
2018 School Performance Days**

What is it? At the “Walk the Walk” school performance day your students will meet actors portraying Rochester’s African-American ancestors. Students will experience an onstage performance, as each Ancestor shares their story. Interactive activities keep students engaged during the performance. Pre/post visit materials prepare students and reinforce content.

What are the curriculum connections? While celebrating local history during Black History Month, “Walk the Walk” also aligns with the District’s emphasis on English and Social Studies partnerships. Students experience local history in a literary context. The program supports NYS social studies learning standards (1, 2) English Language Arts (1, 2, 3 and 4) and Arts (1, 3.)

In addition to the historic content, each script also incorporates values lessons for the students. They learn about Austin Steward as the first successful African-American businessman, but they also learn from him how to deal with bullies. Frederick Douglass shares the importance of education, and Captain Sunfish encourages students not to let adversity stop their dreams.

When is it? **Thursday February 8th and Friday February 9th, 2018.** The program starts at 10 a.m., concludes by noon.

How does it work? Students will experience “Walk the Walk” in its entirety at the Hochstein School of Music Performance Hall.

Who may participate? The program is best suited for grades 4 & up. Students should be able to comprehend and attend to a theatrical presentation about an hour long.

What are the fees? The fee is \$4.00 per student*, no charge for teachers or chaperones. Schools must provide transportation to the event, in downtown Rochester at the Hochstein School of Music Performance Hall. **LIMITED transportation assistance is available!**
